

## **POSITION: GARDENER**

Kelley Garden Service is looking for a Gardener to join our team. We have a passion for gardening and we're looking for someone who shares an interest and enthusiasm for plants and proper horticultural technique. We're focused on pruning, planting and fine gardening throughout the Seattle area. We increasingly spend time on pruning projects so a base knowledge in proper pruning technique and willingness to learn and improve is a must. We care about our employees, clients and the gardens we work in.

### **REQUIRED QUALIFICATIONS**

- 2+ years of landscaping experience
- Reliable transportation for travel to job sites
- Current WA State Drivers License, clean driving record & background check
- Knowledge and identification of common plants and weeds
- Knowledge of basic gardening techniques and pruning techniques
- 3 Industry references

### **DUTIES**

- Full time, Monday through Friday: 8-10 hr days, days vary by season
- Work throughout the greater Seattle area, including Mercer Island and Bellevue
- Able to regularly lift 50 pounds, occasionally 75+ pounds
- Weeding, raking, light pruning, debris cleanup, planting and transplanting, general garden maintenance
- Knowledge and experience working with power tools including mower, string trimmer, blower, power shears, etc

### **INDIVIDUAL CHARACTERISTICS**

- Positive, punctual, honest, reliable, hard-working, hustle mentality
- Able and willing to work in all weather conditions

### **ABOUT THE COMPANY**

- Small, independently owned
- Focus on pruning, planting and garden maintenance
- We don't use dangerous chemicals or pesticides
- Website: [www.kelleygardenservice.com](http://www.kelleygardenservice.com)

### **Pay is \$20+ depending on experience**

Lead Position is available to qualified candidates who show quality of work, leadership, and time management skills
